

National Junior Angus Association

Career Development

If you're looking to improve your professional development skills through interview practice this is a great opportunity.

All interviews will be conducted over Zoom. No separate interview and resume divisions, only an overall. Participants do not need to be present at NJAS to participate.

DETAILS

For the intermediate division the contestant will send in a resume for an Angus Foundation Scholarship. For the senior division the contestant will send a detailed job or internship description, cover letter and resume. The descriptions can be to an existing or fictitious job.

All information submitted can be used to ask questions during the interview. Job descriptions will not be accepted if submitted by an intermediate contestant. Scholarship resumes will not be accepted if submitted by a senior contestant.
