

National Junior Angus Association

Angus Mentoring Program **AMP**

This program is a great chance for new Angus juniors to learn more about the National Junior Angus Show. As older Angus juniors, AMP is a way to serve as a mentor to newer membership and show them the ropes of what being a National Junior Angus Association member is all about. Show up for fun activities, Junior Board interaction, and prizes.

DETAILS

No entry necessary – simply attend the AMP sessions.

WHO CAN ENTER

PROTÉGÉS

Exhibitors 13 years or younger.

MENTORS
